OPEN YOUR HEART

Did you make an Open Your Heart pledge BEFORE the Heart Ball? We still need you! During the Open Your Heart portion of our program at the Lancaster Heart Ball, we want you to still raise your paddle when your dollar amount has been called. We will only count your pledge once. This is important for guests to see we have supporters in the ballroom!

For questions, please feel free to contact Ann Marie Bolen. Thank you!

ONLINE FUNDRAISING

New this year! We now have an online fundraising tool to help us raise more for our Open Your Heart! I would like everyone to at least start a page and send an email to make sure this tool is in working order. We would really appreciate your help in utilizing all of the resources that the American Heart Association is providing us. Again, this does count towards our Open Your Heart funds, and it counts towards the \$10,000 we are trying to raise to get that match!

RED WINE VIP RECEPTION

As you know, on January 12th, 2012, John Byler will be hosting the Red Wine VIP Reception at the Hamilton Club. We currently have 64 VIPs attending. Are you one of them? Please be sure to RSVP for the event by emailing Kristin Fisher. This is the only VIP Reception the Heart Ball will have for 2012, so we want to thank you properly for your hard work. Sponsors, Executive Leadership Team, and our Committee, please join us!

NAMES OF GUESTS

We hope to get the names of your guests soon, if you haven't already sent them to us! You have probably received a voice mail or received an email from Ann Marie Bolen. After Friday, January 6, 2012, Kristin Fisher is taking over guest names. If you send an email or voice mail to Ann Marie, she will pass it along to Kristin.

We need names so we can properly register the guests at the front door. We do not distribute actual "tickets".

Thank you!

LOST & FOUND
